Mediators

1. Lenore Knudtson
2. Stephanie Weaver
3. Peggy Monteith
4. Susan Shipley
5. Wallace J. Calder
6. Michele Holden (added on 03/18/15)

Mediation:

A confidential, voluntary process that allows parties to resolve disputes without a formal due process hearing. An impartial mediator helps the parties to express their views and positions and to understand the other's views and positions. The mediator's role is to facilitate discussion and help parties reach an agreement — not to recommend solutions or take positions or sides.
